

**ICE MAGAZINE**  
INTERNATIONAL AND COMPARATIVE EDUCATION

---

## **STUDENTS OF INTERNATIONAL AND COMPARATIVE EDUCATION**

### A call for papers and articles

ICE Magazine is an online collaborative publication, showcasing articles and comment from students of International and Comparative Education from around the world. It has the sole purpose of sharing the best student work being produced in the field today.

If you have an article for submission, please see:

**[www.icemag.org](http://www.icemag.org)**

for full details, or email
